Ceremony Team starts Crossovers in late March early April and is getting ready for conclave and Ordeal.

During the Ordeal we will be doing tents and will work on the amptheater.

Spring Fellowship/Beaverday is going to be working on the amptheater on March 29, 2008 and lodge members can come up on Friday for fellowship and the lodge is providing food.

For Conclave we have 2 people coming. We are also working on shirts for this event. If we are going to this conclave you need to get here early because it takes 4hr to get there. There will be a silent patch auction there and donations are welcome.

We need a webmaster and publications chair.

We have quality lodge.
