Ceremony Teams need more volunteers.

No slots were available for ArrowCorps5.

We need people for the upcoming conclave at camp Lumpkin, Georgia. The conclave is on April 17-19, 2008. The deadline for pre-registration is March 22, 2008. We are also looking into tee shirts for this event.

We need to repair benches and the amphitheater at SkyMont for the 2009 conclave. We also need more active members. The decision will be made in July 08 if additional Beaver Days are needed for finishing the preparation for the 2009 conclave.

We need to get Ordeal members to go through the brotherhood conversion.

Spring Ordeal is May 16-18, 2008.

Beaver Day is also spring fellowship and is March 28-29, 2008.

We need volunteers to fill open positions in the lodge. Especially Chapter Chief, Publications Chairman and Web Chairman.

A donation from Friends of Scouting was passed. This was one of the qualifications for Quality Lodge.

Warren Deigal suggested a project of filling 35mm containers with the 50th anniversary ceremony ashes.

The next LEMC meeting is 20th
