Terry Faulkner  
Denis Williams  
Jack Waiting  
Mary Richardson  
Joe Clayton  
Alex Glazier  
Drew Roger  
Amanda Smith  
James Holgan  
Warren Deigel

**Minutes:**

No Lodge Officer announcements. No minutes were taken in December.

Elections for ordeal candidates have begun. Troop 84 selected 6 candidates. Units in the Mountain District have started planning elections. Mission district has 1 election planned. Ocoee district has had no elections but they are working to get some elections done. Troop elections need to be held soon. Encourage units to get them completed.

John Ross has cancelled their camporee. The Mountain District camporee is scheduled the same weekend in April as Conclave.

Tap outs can be held during the troop meeting after the election results if the troop will not be attending a camporee before Spring Ordeal in May. This does not include adults.

Ceremony team is going to soon start meeting again. Time and place is to be announced. The team will try to arrange something for the Mountain District Camporee tap out. They will also arrange for the Ocoee Camporee.

Spring Ordeal is May 15-17, 2009.

Spring Fellowship will probably to be held at Booker T. Washington State Park. It is on Saturday March 14, 2009. This will help with preparations for conclave.

The lodge made 2008 Quality Lodge. A larger order of 2008 Quality Lodge pins need to be placed since the 2007 pins sold out before the demand was filled.

For 2009 Quality Lodge the Brotherhood turnout needs to be large this year. The number needed is based on a percentage of 2008 Ordeal members.

Remind last year's ordeal members about brotherhood as well as other arrowmen. An arrowman needs to learn the Brotherhood requirements and have been an Ordeal member for 10 months or more.

There was a discussion about selling jacket flaps to raise money for NOAC. The thought is to use a design that was never produced as the start for the flap. The addition of information concerning the 30<sup>th</sup> NOAC at the University of Indiana was considered important.

Anyone wanting to submit a design for the jacket flap can request an e-mail copy of the starter design from Mary Richardson. Be sure to make it a basic shape over all i.e. circle or oval. The jacket flap should be ready to sell at the Spring Ordeal.

We are currently looking for a publications chair. A new TALKING LEAVES needs to be sent with the conclave registration. At this time the registration is not available.

Mr. Jack Waiting is moving to Arizona and he will be missed.
