#### **Old Business**

The Spring Fellowship was successful and there is a survey online to help us improve future fellowships.

On April 15-17, 2010 lodge members are encouraged to attend Conclave being held at Boxwell in the Nashville area. The deadline for early registration is March 19, 2010. Please sign up as soon as possible using the online registration. We are currently working on the T-shirt.

The lodge rules revisions were tabled until next meeting. Comments about the revisions will need to be emailed to Josh Williams.

At the February meeting it was agreed to purchase new tokens but this is not necessary because the lodge already owns some tokens for ceremonies.

### **New Business**

For the Scout Show the lodge is planning to set up a Teepee with displays on the inside. A dance team from Alabama is willing to come and perform if we can pay for their gas. Funds are available. A motion was passed to pay them \$135.

The LEC voted to have 500 Jamboree Lodge Flaps produced. Members attending the Jamboree will be able to purchase several for \$5 each.

Mitchell Schroll, training chair, is designing the new Brotherhood Pamphlet and sent a prototype for the LEC to review. The LEC voted to make a new Brotherhood Pamphlet to give to new members at Ordeals.

Our lodge will be hosting Conclave in 2012. In preparation for this event members are needed to help with several projects at Skymont.

Joe Clayton has volunteered to be Ordeal Master for Spring Ordeal on May 14-16, 2010.

Next LECM is April 15, 2010.
