Chapter chief report: John Ross Troop 17 held their Order of the Arrow elections. Two youth were elected. The lodge secretary will send each chapter chief a roster for all of their units and copy Ryan Ivy on the e-mail.

It was discussed that ordeal may be moved due to conflicts. Various other weekends were discussed. The key-3 will determine the best solution and notify the lodge membership.

It was brought to the lodge's attention that we still need a publication chairman.

Josh Bowers is the new Activities Chair.

Only 15 arrowmen from our lodge have registered for Conclave. Chapter Chiefs and the LEC need to promote Conclave. Registration ends April 5. There is a possibility of taking a bus to Conclave if the number of arrowmen going increases.

It was discussed that Jet Smith will design the back of the Conclave T-shirt.

We will participate in part of the publications competition for Conclave.

It was brought to the lodge's attention that we do not have a full ceremony team. Chapter chiefs need to help get word out that volunteers are needed on the ceremony team.

The question was asked if the lodge will have enough staff at Skymont to do summer camp campfire call outs. It was determined there should be enough OA members on staff.

Spring Fellowship has been cancelled.

The next LECM is April 18th at 6:30 p.m.
