Jared Taylor, Mountain Chapter Chief, announced the results of voting for a new name. The new name means mountain in Cherokee-- Atala.

Every chapter has had elections. It was brought to the lodge's attention that we need to have more order of the arrow ordeal candidate call outs.

It was brought to the lodge's attention that during ordeal weekend Troop 116 will be at Skymont. It was said that they would set their own tents up.

More flat bed trailers are needed for ordeal weekend. Check with your units to see if anyone can help with loaning a trailer.

The following campsites will be for Wood Badge use:

- Huckleberry Hump
- Hawks Nest
- Hoot Owl

The lodge campsite is Sunny Ridge. No personal tents are to be set up on the pads. No youth in the staff cabins.

Registration begins at 5:30 p.m. CDT. We will follow the schedule from Fall Ordeal. Luke Darr will be the youth over Elangomats.

If possible on Friday night we will drop off tents at the campsites to make the work move faster on putting up tents on each campsite. The goal is to have teams of 6 arrowmen to set up each campsite.

It was proposed that we have ordeal candidates do team building exercises to help their clan get through to brotherhood.

39 arrowmen are registered to attend Conclave at Camp Yocona. Those riding the bus meet at Burks UMC on Hixson Pike. The bus will leave at 4:00 p.m. Check your e-mails for further information.
